

CAPRICORNIA BUDGERIGAR

SOCIETY INC.

30 SEPTEMBER 2009

Dear Members

ANBC preparations are proceeding well and are taking most of the time and considerations at our committee meetings. Keep checking the website for updates and information.

Recent monthly General Meetings have been well attended and have had a good number of birds entered in the table shows. The best aspect of this is the healthy discussions that have occurred, with many novel ideas being offered. Don't forget that **Table Shows** have been split into Beginner and Open sections, with the best Any Age, Young Bird and Nestfeather in each section receiving a \$5.00 voucher from the Club. That's \$30 in prize money every meeting night!

Our October Breeder's Show is just around the corner. Sorry for the delay in getting the schedule (enclosed in this letter) to you. Please note that ALL Nestfeather birds you have bred can be exhibited, as BOTH 2009 (Red rings) AND 2010 (Blue rings) will be accepted at this show. Young Birds are to rung with 2009 rings only. Don't forget the BIRD of the Year show in December.

2010 rings have been selling well. Prices are 52 cents for coded rings and 50 cents each for uncoded rings. Scott advised our last meeting that Show Cage drinkers and security catches will be available at the end of October.

The ANNUAL AUCTION in June this year was a huge success due the efforts of so many people. This has not only given us improved genetic materials in our breeding teams but has been a great fundraiser. A big thank you to all members who assisted.

To celebrate this year we will be having a Christmas Break-up at the Gracemere Hotel on Saturday, November 14. Please bring your family along to enjoy a meal and good night together.

Unfortunately Ray Lentell has had to sell his birds on doctor's advice. On behalf of all Club members we wish Ray all the best in his future endeavours and thank him for the great contribution he has made over the past 30 or more years. We'd love to see you at Club events Ray. Hopefully Club members will keep intouch and let you know what they have bred from your birds.

All the best for the rest of the year and the current breeding and show seasons..

Kevin O'Callaghan
