July 2023

Dear Member,

May and June were just so busy with our Young Bird Selection show (results further on in this newsletter) then the Zone Selection show (results also in this newsletter) followed by the National Show in Ballarat. Followed a fortnight later by our Auction, not to mention other club's auctions for those that were interested in them.

Congratulations to all members who managed to qualify birds for the Nationals, a great effort. Congratulations to our zone members that had birds placed on the top shelf, they're special birds that make the top ten in their variety. Special mention to Darrell Fisher on his excellent Dark Eyed Clear placing third, our top placing. We must congratulate another of our members, Phill Bosci whose Australian Golden Faced Blue also placed third, unfortunately for us the points gained by his bird went to the South Queensland Zone which Phill represents. Great to have our own Kev O'Callaghan officiating at the Nationals, well done Kev.

Congratulations to Victoria on winning the teams competition. They were run away winners with many class wins and several first and seconds in class as well as some 1,2,3's for good measure. Many of their birds are on a different level to ours. Our zone placed Fifth in the team competition which was a good effort as our overall points were down from previous years. We need to improve the overall quality of our birds to remain competitive, as other zones especially Victoria have really jumped ahead in the quality of their birds. Birds that won five years ago would not make the top shelf these days in most classes.

Thanks to my fellow Carers on an excellent job in Ballarat, and to Peter Drew and Rod Vidler for brining the Rocky and Mackay birds home and for picking up birds for our auction from NSW on their way home.

Our Annual Auction was another great success with many excellent birds on offer. I hope that our members were able to pick up some useful stock for their breeding programs.

Thanks to Shayla and Michelle on the catalogue and to Shayla and Mark on the table during the day. A special thanks to Shayla's friend who gave up her day to help out on the table. I don't know her name but a big thank you, as she is not a club member and doesn't have birds, so really appreciated. Also, thanks to everyone who helped set up on Saturday afternoon and through the day on Sunday. Again, a big thank you to the young man that helped pull down the staging and did the majority of packing of the trailer. Again I don't know his name, he is not a member of our club and does not have birds but hopefully he will join our club in the future, as he appears very interested.

A big thank you to Kev for getting off his sick bed to be our auctioneer for the day, this was no mean feat as Kev was unable to go to work the following week. The same can be said for Rod Gardiner who is still recovering from major back surgery. Rod travelled up and once again conducted very successful raffles on the day. Many thanks to the sponsors of the raffles, your support is appreciated.

Thanks also go to the ABS crew and to Ron Woodhead for bringing up their trade tables. I'm sure our members appreciated having them here and some undoubtedly received great advice on veterinary matters from Ron.

Don't forget we have our AGM coming up in August, come along and support our committee or put your hand up if you think you can help in some way or would like to take on a position. If you want your views, put forward or want something changed, please come along and have your say. It is no good talking about things away from the club, the members of the committee and other members are not mind readers. It is after all your club.

The club sends best wishes to John Agnew, a longtime member and a past President for a speedy recovery from some medical issues he is experiencing at the moment.

Enjoy the read.

- **SHOW & WIN!!!!!!!** Starting at our 2023 Breeders Show, you will become eligible to win a \$200 Credit at our Annual Auction by showing at the 3 Major Shows (Breeders 2023, Annual 2024, Young Bird Show 2024). You will receive one ticket for showing 1 to 10 birds, 2 tickets for 11 to 20 entries, etc. After the Young Bird Selection Show in 2024, the winner will be drawn. The more you show, the better chance you have to win. It is only open to CBS Inc members. You must show at all 3 shows unless you are judging the show or are genuinely ill or have a family emergency. The aim of this incentive is to encourage members to show consistently at all 3 shows.
- Services Section: The Club Shirt is now being worn by many members. If you want to purchase one, contact Shayla Evans 0408 731 846 (Please do not call after 7:00 pm) Shayla will also have a supply of 2023 rings, (60 cents each and sold in lots of 25, postage is extra \$5.00) and show cages and cage fronts if anyone needs some.
- Future CBS Variety of the Year are as follows: 2024: - Clearbody. 2025: - Greywing. 2026: - Crested. These are judged at the Annual Show each year.

A Bit of a Rib Tickler

The CEO of a business was getting very worried as his office manager had not come into work that day and he was to present a very important deal to a client. So, the CEO rings to find out why he hasn't come into work.

The phone is answered by a small child who is whispering "Hello." "Can I speak to your father?" asks the CEO "No." Whispers the child. "Can I speak to your mother then?" Asks the CEO. "No." whispers the child. "Why not?" asks the CEO. "Because they are talking to the policeman." Whispers the child.

Just then a loud whirring noise is heard over the phone. "What's that noise?" asks the CEO. "That's a helicopter outside." Whispers the child. "What's a helicopter doing outside?" Asks the CEO. "Their searching." Whispers the child. "What are they searching for?" Asks the CEO.

I've copied an article that Ray Slade posted on Facebook, after Maarten Heylen visited Ray's aviary, following the Nationals in Ballarat. For those that don't know Maarten is from Belgium and was the overseas judge at the Nationals. The cinnamon hen has been a winner for Ray, the grey hen is very young and has just broken its cap. The grey hen will not be a show bird because of its flecking but will make a valuable stock hen. I Hope this shows us where we need to be heading and how much we need to catch up.

In Maarten Heylen's talk at the Nationals he described our birds as still having 2 circles on the face. He said we need to try and get the face as one circle.

The cinnamon hen has 2 circles. The Grey hen still has 2 circles but is getting very close to the one circle Maarten was describing. Very good feedback on this hen when he visited.
